### **Rotary Water Project improves Ex- Kamaiyas (ex-Bonded labour) life in Bardia and Kailali**

28 March 2013, Reported by Ashok Kumar Shrestha, Rotary Club of Dhulikhel Nepal

Rotary Club of Dhulikhel and Rotary Club Edwardstown Australia jointly working to provide drinking water and micro irrigation in Kalyanpur and Ramnager Kamaiya settlement in Bardia and Kailali district.

Rotary Community Corps Kailali has successfully completed to drill 9 water bore of 100 feet to 160 feet deep. Water project was implemented by RCC Kailali. Entire matching grant project #77094 is benefiting 461 household and one higher secondary school children more than 2970 people will get water for their daily use and in vegetable and farm land irrigation enabling to grow more food and vegetables. Recently Rotarian John Price, Rtn. Ashok Shrestha, Rtn. Kamala Shrestha and Leighton Price and RCC coordinator Bijaya Karki were in village and handed over 9 water bore including diesel water pumps to the Mukta Kamaiya communities in Kalyanpur, Ramnager and Saraswoti Higher Secondary School. Rotary has spent Rs.1,165,916.00.

Rotarian John of Edwardstown Rotary Club visited in 2009 in the village and donated one water bore which impacted very much in Mukta Kamaiyas life and inspire to provide more water bore as community has repeatedly demanding such support through local RCC club. During the project handover ceremony Rotarian also distributed 480 packets of ten varieties of seeds which was sponsored by Community Development and Relief Agency (CDRA) Nepal.

Rotary Dhulikhel is also working with Rotary Club of Portland Pearl, USA and CDRA Nepal to build primary school in Ramnager Kamaiya settlement. Thousands of Mukta Kamaiya people were thanked to huge efforts of Rotary for addressing their immediate need of water.
